Become an active bystander!
Register for bystander intervention training!

Empowered bystanders make the campus community safer by standing up and speaking out when they witness situations that could potentially harm the health and safety of others.

Intervening with peers can be difficult for a number of reasons and training will provide you with the skills to move from inaction to action and intervene safely and effectively.

The training features two distinct and separate tracks: sexual violence prevention and alcohol use intervention.

Register [here](#) by Friday, February 20th!

Dinner included!
